

STATE OF CALIFORNIA  
STATE WATER RESOURCES CONTROL BOARD  
DIVISION OF WATER RIGHTS

ORDER

APPLICATION 19859

PERMIT 13044

LICENSE 8192

ORDER CORRECTING POINT OF DIVERSION  
AND PLACE OF USE

WHEREAS:

1. License 8192 was issued to I. Edward Sweet and Imogene Sweet and was recorded with the County Recorder of Mariposa County on June 6, 1967 in Volume 105, Page 21.
2. License 8192 was subsequently assigned to Miguel Flores, Jr. and Meredith Flores.
3. An inspection was made on September 13, 1983 and it was determined that the description of the Point of Diversion and Place of Use should be corrected. This correction is needed to show the true location of the project.
4. Point of Diversion: North 2,200 feet and West 1,100 feet from SE corner of Section 3, T3S, R15E, MDB&M being within NE $\frac{1}{4}$  of SE $\frac{1}{4}$  of said Section 3.  
  
Place of Use: Stockwatering and recreational use at reservoir within NE $\frac{1}{4}$  of SE $\frac{1}{4}$  of Section 3, T3S, R15E, MDB&M.
5. The State Water Resources Control Board has determined that said correction in the description of the point of diversion and place of use will not initiate a new right nor operate to the injury of any other lawful user of the water and that good and sufficient cause has been shown for said correction.

NOW, THEREFORE, IT IS ORDERED THAT:

The point of diversion and place of use under License 8192 be described as follows:

Point of diversion: North 2,200 feet and West 1,100 feet from SE corner of Section 3, T3S, R15E, MDB&M being within NE $\frac{1}{4}$  of SE $\frac{1}{4}$  of said Section 3.

Place of use at reservoir within NE $\frac{1}{4}$  of SE $\frac{1}{4}$  of Section 3, T3S, R15E, MDB&M.

*Licensee shall allow representatives of the Board and other parties, as may be authorized from time to time by the Board, reasonable access to project works to determine compliance with the terms of this license.*

*All rights and privileges under this license including method of diversion, method of use and quantity of water diverted are subject to the continuing authority of the Board in accordance with law and in the interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or unreasonable method of diversion of said water.*

*Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from time to time by the Board.*

*The right hereby confirmed to the diversion and use of water is restricted to the point or points of diversion herein specified and to the lands or place of use herein described.*

*This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:*

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the Board.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property cannot agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
